## DEA Awards Contract to STI-CO® for Covert Mobile Antennas

Orchard Park, NY, July 30, 2008 - On July 7, 2008, the Drug Enforcement Administration awarded STI-CO Industries, Inc. a contract for acquisition of covert mobile antennas and associated hardware. The contract period of one year has four one-year options under which any Justice Department agency may place orders cumulatively totaling up to \$12,850,000.

In business since 1967, STI-CO Industries, Inc. of Orchard Park, NY is an ISO 9000 certified company that develops and manufactures standard and customized covert, interoperable and operational antennas for the investigative, public safety and emergency management units of local, state and Federal agencies as well as the military. STI-CO is a certified women-owned, small business. Visit [www.sti-co.com](http://www.sti-co.com) or call (866) 307-8426.
